

REMARKS

This Second Preliminary Amendment is being submitted to correct certain typographical errors in the chemical nomenclature recited in claims 17 and 18. As filed, the claims referred erroneously to "2,3-bis(C₁-C₆ alkoxy)" groups rather than correctly to "8,9-bis(C₁-C₆ alkoxy)" groups. Support for this amendment is found throughout the application, and in particular to compounds numbered 8 and 13. No new matter is added by way of these amendments.

With the entry of the foregoing amendments, the application is believed to be in condition for examination and allowance. Consideration of the claims, leading to their allowance and passage of the application to issuance, is respectfully requested.

Respectfully submitted,
